BEAT RAMS

....Country, State, City, and D.H.S.,

During The Past 37 Years.

Pride is a sense of one's own dignity. It is shown by one's attitude toward his friends, family, school, community, religion, and country.

DeVilbiss High School gives its students the opportunity to show their pride by joining clubs and commissions, working for social activities, cheering at sports events, attending school productions, and excelling in academic studies.

DeVilbiss students displayed their pride and dedication this year by taking an active part in school and community activities. Tads gave physical and finanical support to the March of Dimes, Red Cross, United Appeal, and Easter Lily Drives. Students also encouraged full support for political elections by washing car windows so Toledoans could "See their way clear to vote".

D.H.S. clubs and classes were instrumental in adopting underprivileged children from foreign countries, as well as sending letters and gifts to American servicemen in Vietnam. They also entertained at old folks' homes, orphanages, and hospitals.

DeVilbiss students had tremendous pride in their school. Tads worked hard for their annual Magazine Drive, and earned new orange stage curtains for the auditorium. The D.H.S. band and orchestra were active in area contests and concerts. Tads also merited scholarship awards, sports achievements, and eagerly participated in social activities. Classes sponsored dances, hops, opens, and hayrides for the enjoyment of students. Interested Tads helped in a "Clean-up DeVilbiss" campaign by washing the walls and halls of their school. The Tiger-In-The-Court became the symbol of DeVilbiss and the pride of D.H.S. students.

Thus, DeVilbiss High School is more than just a school. It is a way of life for the one thousand nine hundred and fifteen proud Tads who attend its classes.

Student Council Leads DeVilbiss Activities

This year under the direction of President Chris Morrison, Student Council had a very successful year. The homecoming dance, held on September 30, was the most widely supported dance in years. It added $195 profit to the Student Council treasury. The annual magazine drive, climaxed by a delicious banquet for magazine workers, also showed a profit. A new auditorium stage curtain was purchased with the money from the drive. On the day before Christmas vacation, the executive board held a tea in room 122 for old commissioners. Lynn Bordner, Assemblies Commissioner, delighted the children of the faculty members at the Faculty Christmas Party in December when he dressed as Santa Claus. Other projects such as a homeroom decorating contest for the Start-De-Vilbiss football game, a "Clean-Up DeVilbiss" campaign, and revision of the constitution highlighted the 1967-1968 school year.

Awards Commissioner, Dave Robertson, and Finance Commissioner, Millard Eisler, play major roles in planning and directing the Magazine Drive.

Lynn Bordner, heading the Assemblies Commission, highlights assemblies with his jokes and sparks student spirit.

"That Certain Thing Called 'The Boy Friend'"

A guest appearance of Batman in the second act, ushers with bright hair bows, and matinee tickets in the form of orange buttons displaying the name of the musical were examples of the originality that dominated the 1968 musical, "The Boy Friend". The members of the stage crew worked many hours to produce remarkable sets such as the Riviera scene, complete with a black and white boardwalk. With the final scene taking place at the Masquerade Ball, the costume committee was able to show its talent by producing colorful and festive outfits.

Under the experienced direction of Mr. Tom Bollin and student director Carolyn Elkins, "The Boy Friend" was the center of DeVilbiss' late fall activities. As in past years the choreographer was the very competent Mr. Bud Kerwin, and the musical conductor was Mr. Jack Tongring. Student teacher, Mr. Jerry Mash, was the stage crew and set director for this year's musical.

"Hello, Dottie!" Presented On April 4th, 5th, And 6th,

The 1968 DeViltries "Hello, Dottie!" portrays the story of a man-hunting switchboard operator, Dottie (Sandy Mitchell). Dottie, with the aid of her closest friend Jeanie (Dayl Groves), plots various situations to trap Dottie's prospective beau, Mark Lawrence (Joe Hughs), who is the floor-show director for the nightclub of the hotel.

After failure in their attempt, Jeanie employs the help of Mark's nephew, Jerry (Stu Samuels). Jeanie and Jerry's idea is "to spice their food with truth potient so their true feelings will appear."

After many humerous situations, Dottie and Mark are married.

Throughout the show, Helen and Harry Blumberg (Kathy Hyams and George Sarantou), who are guests at the hotel, represent the domineering wife and the "hen pecked" husband.

The curtain falls as everyone recalls what a "very good year" it has been.

The varsity cheerleaders received an honorable mention award at cheerleading camp, and the junior varsity squad attained recognition at the annual Toledo University cheerleading clinic during the summer. DeVilbiss had the only reserve squad to place with varsity squads. The cheerleaders traveled to Bryan and several other away games. The reward for their efforts was a crowd of excited and enthusiastic Tiger sports fans cheering their teams on to victory. The tigerettes eagerly displayed their Tiger Pride and Spirit also. They devoted much time and energy to developing acrobatic stunts to entertain the spectators.

Tads Participate In T. A. S. C.

DeVilbiss is well represented at Toledo Area Student Council by three program chairmen and one executive officer. Nancy Shyavitz headed the annual training workshop at Bowsher on October 28. Julie Mostov was in charge of such worthwhile projects as washing car windows before voting days. Mary Orwig was DeVilbiss' representative to the annual queen's tea and dance. The dance was held at the Commodore Perry Ballroom on November 21. Its theme was "Twilight of November". Gene Schlichting circulated the bids for the dance to thirty one area high schools and collected the money for them. He also directed the Sportsmanship Contest between Toledo area schools. Budgeting the money and keeping track of the largest treasury in the area's history was Lynn Bordner.

Pot O' Gold Expands

Sixteen additional pages, a faculty section, and duotones in the opening section and on the division pages were a few of the new attractions for this year's *Pot O' Gold*. "Find your reward" was the theme of the campaign which began in November. Posters featuring rainbows in each room, four assemblies, and a contest publicized the sales. The staff sponsored a record hop during 7th hour in December for all $5.00 subscribers. The business staff sold 1,600 yearbooks to Tads at the new sales booth in the cafeteria. Mr. C. Paul Kenney, the yearbook's professional photographer, trained and assisted the photographers, who took over 2,000 pictures. Four staff members and Mrs. Berger attended the Columbia Scholastic Press Conference in New York during October. The Pot O' Gold staff enjoyed several parties throughout the year. A first-class rating which last year's book won at the Columbia and Minnesota National Press Associations brought Pride to the staff. A day at the lake and a banquet honoring all staff members brought to a close a very rewarding year for the 1968 *Pot O' Gold*.

Prism Adopts Off-Set Printing

"PRIDE AND PRISM Have A Lot In Common" was the theme of this year's *Prism* subscription drive. Each 100% homeroom class was entitled to attend a special breakfast. The *Prism* staff, aided by Mr. Cross and Mr. Sharpe, served juice, milk, coffee, and rolls to these 750 students. The final number of subscriptions totalled 1,100. The staff adopted off-set printing this year. This allowed more pictures to be in each issue. In March, members of the staff journeyed to Columbia University to gain further journalistic knowledge. The annual *Prism* literary issue compiled of students' articles was circulated in the Spring. Even though the *Prism* editor, Jill Poland, was seriously injured in a tobagganing accident, the staff managed to turn out fine papers this year.

National Honor Society Institutes A Tutoring Program

National Honor Society Officers. SEATED: Chris Dankert, Vice-President; Marcy Steingroot, Chaplain; Amy Zucker, Secretary. STANDING: Bill Surratt, Treasurer; Robert Asahina, President.

Scholarship, leadership, service, knowledge, and character are the five characteristics that every Honor Society member must possess. Led by President Bob Asahina, the senior members carried out the tradition begun last year of taking underprivileged children on outings. The children were amused by a visit to the zoo, a trip to see The Children's Wonderland, The Art Museum, and a picnic at Pearson Park. Marcia Odenheimer and Julie Mostov instituted an Honor Society tutoring program. This program enabled Society members to give DeVilbiss students academic help. It was particularly successful in the field of mathematics. Other Honor Society activities included bake sales and two formal inductions. This year the Society has 60 members from the senior class. In the Spring, the Society received into membership the top ten per cent of the junior class.

Mrs. Berger and Mr. Preis, Honorary Members of Quill and Scroll, and Miss Bloom, Adviser, return from the Spring induction.

Quill and Scroll Is An Honorary Literary Society

Curiousity, responsibility, accuracy, expediency, and adaptability are a few of the qualifications included in the "Journalist's Decalogue". Quill and Scroll, an international honorary society for high school journalists, strives to further develop these characteristics in its members while increasing their journalistic interest and knowledge. Since 1934 when this organization was founded, membershp is the goal toward which staff members of the *Pot O' Gold* and *Prism* strive. Each member receives a Quill and Scroll magazine and wears the pin with Pride. The greatest honor for a high school journalist is to take part in the traditional candle-lighting service for Quill and Scroll.

Enthusiastic Tads Serve DeVilbiss

Over 90 Tads work daily to fill various positions that exist at DeVilbiss. The 22 girls and 3 boys who work in the library handle over 14,000 books. The 30 girls in the counselor's office collect attendance slips and distribute up to 50 dean summonses a day. The department that spends the most money, the athletic office, has 15 girls who type, file, and sell athletic tickets. On a busy day, 7 nurse's assistants might help 20 students who stop in to see the nurse. The 2 girls in the main office fill the teachers' mailboxes and take care of the Lost and Found. Delivering from 80 to 100 films weekly keeps the 6 visual-aids staff assistants quite busy. The 3 girls at the stationer's desk often sell 40 boxes of cough drops daily. General maintenance of the auditorium lighting and curtains employs the time of the stage crew boys.

Students Promote Tiger Spirit At DeVilbiss

This year many groups encouraged spirit at DeVilbiss. The Spirit Committee, with the idea that competition improves spirit, set up a contest between the orange team—the seniors and juniors, and the white team—the sophomores and freshmen. Points were awarded for attendance at games, spirit and sportsmanship at assemblies, and tags, posters, and banners in the halls.

Before the Start-DeVilbiss football game, students decorated their classrooms. Prizes were awarded to the best decorated rooms. The Pep Band supplied music at basketball games to promote spirit. One function of the Publicity Commission was to make signs and banners before athletic events. The Pep Club made tags and banners, sold programs at games, made Thanksgiving and Christmas baskets, and had two bakesales. Students took pride in promoting spirit at D.H.S. this year.

DeVilbiss Band Prepares For New Uniforms

This year's sixty-five-member band was present at every D.H.S. football game. The band exhibited their musical talents at the Midwinter Concert and at the annual Spring Concert. Several members participated in the Solo and Ensemble Contest at Bowling Green on March 2. A district band contest was also entered in March. A very successful drive to earn money for band and orchestra uniforms was undertaken. The band marched in two parades in May: the Armed Forces Day Parade and the International Festival Parade.

Last May the band won a first place trophy for their performance in the International Festival Parade. They ended the year with an Awards Banquet sponsored by the band and orchestra members' parents. Awards were presented to members on the basis of their service.

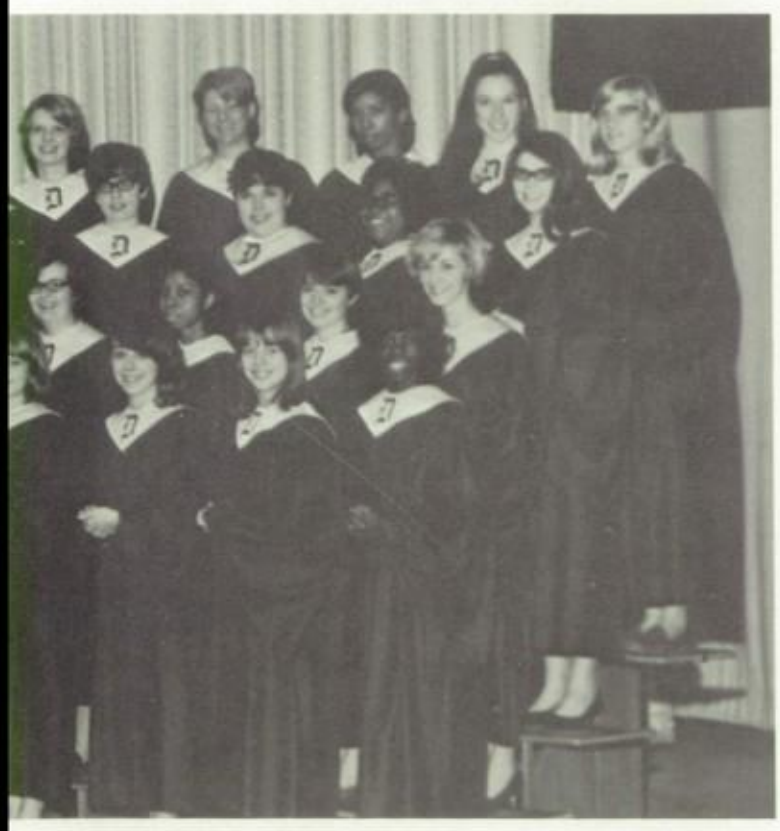
Choir Proudly Displays New Robes



This year's A Cappella Choir was on the move! With a membership of seventy well-balanced voices, they began to sound quite professional.

Audiences were startled when the choir made its first appearance at the Toledo Federation of Teachers' Fall Meeting. For the first time in its twenty-four year history the group was clad in brown robes with white stoles. These robes were purchased through money earned from tag days, car washes, and candy sales.

The choir participated in the Annual American Youth Performs Concert, the High School Choral Festival, the Northwest Ohio District Choral Contest, and programs of several local service clubs.

Charla Abraham, Becky Hedler, and Harry Elkinson received Toledo Symphony Scholarships.

DeVilbiss Orchestra Receives A Superior Rating At State Contest

The members of the orchestra were very busy this year. In November they joined with members of the Start and Rogers High School orchestras in a program in the Waite Field House. It was called "America Youth Performs" and featured such nationally famous soloists as Arturo Delmoni and Luba Tscheresky. At a concert in January for their parents, students performed the numbers that they would play for the annual state concert on February 17. They gave a midwinter program during second semester featuring songs from *The Sound of Music*. The orchestra and band entertained P.T.A. members in a May concert. The orchestra also played for commencement.

These musicians entered many competitions. The stringed orchestra competed against stringed orchestras from Sylvania, Maunmee, and Rogers High Schools in November. Some members of our orchestra went to Lima for regional orchestra, while others participated in ensembles or as soloists in the March contest in Bowling Green. Chris Gunderson, a sophomore, gained recognition as all state first chair viola. Harry Elkinson, Laura Linet, Becky Hedler, and Charla Abraham received the coveted Toledo Symphony Scholarship.

English Department Instructs Tads In Literature And Composition

The three junior Art Museum courses have been a big success this year. Once a month the students travelled to the Art Museum to hear lectures on the art of the period which they were studying in their literature classes. Some junior classes put on the play *Our Town* for their own entertainment. David Vandegriff, a senior, brought honor to the English department by winning a twenty five dollar third place in the Handicapped Eassay contest. The A.P. English students prepared themselves to take the special exam in May. They hoped to receive college credit for their efforts. This class happened to have been the largest Advanced Placement class at DeVilbiss.

Science Offers Truths And Facts To All Students

Squeals came from the physiology classes as the girls had their blood tests taken. They dissected a calf's eye for the first time at DeVilbiss in addition to the regular dissections.

Students, as usual, held their noses while walking through the halls when the chemistry classes made sulfur dioxide. As usual too, they made oxygen, hydrogen and performed other experiments.

Identifying birds and other kinds of plant and animal life was an assignment in Mr. Tischinae's biology classes. The students took a practical exam on their ability to do this. Mrs. Rogolsky's fifth hour biology class had only one boy out of a total of thirty students.

Physiology students watch while Mr. Mills dissects a calf.

Bruce Bartos shows his biology class a snapping turtle.

Proofs And Problems Puzzle Mathematics Students

New bright green and yellow Algebra II books greeted the math students at the beginning of the year. Miss Affolter's geometry classes made reports and gave them in class on famous mathematicians. The bulletin board in her classroom was covered with these reports. All shapes, sizes, and figures met your eyes when you entered Mrs. Marx's class. Objects of all sorts hung from the corners of the ceiling and lined her window. Some of these were math projects made my the senior math classes. They each showed certain geometrical shapes. Miss Affolter and Mrs. Marx attended a convention of math teachers in Chicago. There they were able to meet the authors of the Geometry and Algebra II texts.

Tads Are Challenged By The Six Foreign Languages Offered At D.H.S.

The activities of the foreign language department at DeVilbiss are becoming more interesting every year. The French classes have taken many trips to the Art Museum to study French art work. Also one person from each grade went to T. U. to participate in a poetry contest. The fourth year French class completed their activities by holding a dinner with the Alliance Francaise members. The menu consisted of typical French foods.

This year the Latin classes held a dinner with Start. One hundred fifty four students attended this annual Roman baquet. They also published three editions of the *Verbum Bonum,* the Latin newspaper.

A new approach has been taken in German. The use of the audio-lingual technique has replaced the traditional method. Miss Marnet's students not only participated in class activities but also in outside activities. Many of them sold programs at the German American festival at Raceway Park during the summer.

The Spanish teachers and a few other foreign language teachers gathered in the library to view a demonstration and hear a talk on a new way of presenting the Spanish language to the students. John Martinez, a third year Spanish student, brough a Spanish pastry for everyone in his class to taste.

Chinese Russian Center Takes Up Permanent Residence In M-3

The Chinese Russian center moved to M-3 in early January. The center now consists of four classrooms, one office and its own library. Mr. Klee heads the center, teaches Asian Studies and Russian history. His secretary is Gloria Kidd, a DeVilbiss graduate. The courses now consist of four Chinese language classes, four Chinese history classes, one Asian Study class, three Russian language classes, and five Russian history classes. A new Russian literature course was added this year. Projects of interest included a Chinese dinner held at the International institute and Russian costumes made by Mr. Cernonok's classes.

The Sophomore Girls' gym classes were seen swinging golf clubs in the mirror room. This was an addition to the regular games covered by the physical education department. The girls also gave a program on tumbling and modern dance to all freshmen and sophomore girls. The girls themselves made up the routines. Everyone in the tumbling act was an amateur; some had just learned to do a forward roll this year.

The boys participated in many sports activities in gym class. Some unusual athletics included speedball, boxing, badminton and archery. They displayed their tumbling ability in a co-ed tumbling exhibition.

Students Express Themselves In Drama, Speech, Art And Music

The speech department hosted their first big speech tournament, which involved twenty five schools. Members of the speech and drama classes housed many of the out-of-town students over night. The advanced drama class gave many plays for the enjoyment of DeVilbiss students. They also went out to surrounding grade schools presenting programs to encourage students to take drama or speech.

The are teachers encouraged their students to enter as many of their works as possible in local art shows. Linda Howald received third prize in the Downtown artists show while others who entered were able to sell their paintings. The end of the year was not complete without the annual art sale in which all students bought their favorite masterpiece.

Concerts and competition dominated the year for the music department. The orchestra received a superior rating in the state contest, played for American Youth Performs, and held a Christmas assembly. The band marched in the International parade, went to the Michigan-Navy game, played for the eighth graders on their visit to D.H.S., and went to the District contest. The choir gave their annual Mid-Winter concert, sang in the Choral festival at the peristyle, and went to the District contest at Rogers. They wore their new brown robes with pride.

Social Studies Help Students Study The Past, Present, And Future

The A.P. history class was very busy this year. They attended lectures at the Art Museum many times and have taken field trips to supplement their studies. On one of these trips they went to Ann Arbor to see the play *The Lion In Winter*. Their plans also included a field trip to the Wolcott House, a museum of early Maumee Valley History.

The girls in Mrs. Shiffer's cooking classes prepared the food and studied the customs of many foreign lands. They also heard from speakers representing Toledo Edison, Columbia Gas of Ohio, and a local florist.

Mrs. Wanick's sewing classes studied child development in relation to home and family. For this course they had two guest speakers: a Baptist minister, and a Catholic priest. Other class activities included a field trip to Toledo Day Nursery and a Christmas style show.

The DeVilbiss machine shop finished its first year as a completely vocational machine shop. There were two classes and each one consisted of three hours per day with full credit. Mr. Hall's drafting classes furnished the blue prints for many of the machine shop projects. Chevrolet gave a test for applicants and a student from DeVilbiss placed third out of one hundred and fifty applicants.

Business, Hearing Impairment, And Home Nursing Classes Benefit Many Students

The girls in the home nursing class were busy helping Mrs. Hanslip this year. They assisted her in giving and reading the freshman T.B. tests. They typed up the cards for the senior and faculty X-ray tests. A real baby was brought to the class while they were studying child care.

There was a special hearing impaired class which consisted of thirteen freshman students. The teacher used special equipment to teach the students how to comprehend words and their many uses. The program will be expanded next year to include the sophomore class.

This year Decca, Distributive Education, was very important at D.H.S. It was a course for seniors who were interested in the field of business. They worked in the afternoon after having attended classes in the morning. Three credits were given for this course. Another program was the co-op. Students were aided in securing jobs and left school at two o'clock.

Opponents Capitalize On Tiger Errors For Victories

The Tigers forged ahead 24 to 16 early in the fourth quarter in their opening game at Sylvania only to be tied by the Wildcats when the DeVilbiss pass defense broke down.

The following week the Tigers fought a hard game against Central, but Mike Hurt's fumble in the end zone was recovered by the Irish for a touchdown and a 12 to 6 victory.

Next DeVilbiss lost a close game to Macomber. The game ended with DeVilbiss on the Macomber one yard line after Dave Grana had caught a Mike Hurt pass. Earlier in the fourth quarter Hurt passed to Marty Lauer for eight yards to climax the Tigers' only sustained drive of the afternoon.

The Tigers mounted a strong ground attack in beating Rogers 16 to 0 in a muddy homecoming game. It was a rude introduction into the Red Division of The City League for the Rams as Melvin Gaines galloped 69 yards early in the third quarter and Fullback Ron Covrett plunged in from the one yard line. Gary Greiner was the real workhorse as he carried the ball nineteen times for 85 yards.

The following Friday the Scott Bulldogs fell victim to DeVilbiss as the Tigers showed a great goal line defense in stopping Scott in the third quarter. D.H.S. then began to move early in the fourth quarter behind reserve Quarterback Chuck Goldstein. Goldstein connected with Don Hatch on a 10 yard touchdown with three seconds to go, and the same twosome combined for the two point conversion pass for an 8 to 6 win.

The Tigers were then outclassed by fifth-ranked Canton McKinley. The only highlight of the 33 to 14 loss was Geoff Gibbs' 95 yard return of a kickoff.

On October 26, D.H.S. trampled Bowsher in a game which saw Mike Hurt, Geoff Gibbs, and Tom Dugan score once each, Gary Greiner twice on long runs of 52 yards and 46 yards, and Marty Lauer return a pass interception 68 yards for a touchdown.

Start took advantage of every DeVilbiss mistake in whipping the Tigers 20 to 0. This game marked the suspension of a long rivalry between the West Toledo schools. Start and DeVilbiss will not meet again on the football field for seven years.

The Tigers closed out their season in a wet finale with a 20 to 0 win over Libbey. Marty Lauer was the standout defensively for D.H.S. as he made two key interceptions which thwarted Libbey drives. Geoff Gibbs scored on a 73 yard punt return, and the Greiner brothers provided the offensive punch for the Tigers with Jerry running up 96 yards.

With the fine junior class, led by next year's co-captains, Bob Boynton, and Larry Armstrong and a good-looking sophomore group. DeVilbiss students can look forward to great football next year.

Inexperience plagued the 1967 DeVilbiss High School cross-country team as it failed to retain its 1966 Northwestern Ohio District Championship.

The loss of their fine captain, Logan Talks, also hampered the Tiger harriers. Logan was forced from active competition in early October by a virus and returned only for the City League Meet. Despite this handicap, Logan qualified for the state finals and placed sixteenth.

The Tad runners compiled a fine overall record of 15 and 6 in City League dual meets, losing only to Woodward, Bowsher, and Libbey, twice each. D.H.S. finished fifth in the City League Standings and fifth in the District Meet.

A highly promising group of freshmen led by Walt Churchill, who set a freshman mile record, Hal Hayes, and Rick Kern, give the Tiger cross-country team a very bright future.

Tigers Suffer Through Rebuilding Year

With only two experienced players on the squad, Coach Phil Kahler had to rebuild this year's DeVilbiss basketball team. This lack of experience combined with a lack of height to nullify most of the Tigers' basketball fortunes.

The hardcourt season opened on an optimistic note as the Tigers won their first three ball games. DeVilbiss rolled by Rossford, 60 to 48, as Ed Greunke scored 20 points and Chuck Goldstein and Herman Lincoln collected 19 points and 14 points respectively.

D.H.S. came back the next night to whip Dayton Stivers. Four of the starters scored in double figures, and Mel Gaines led the way with 15 points.

The Tigers then tamed the high-scoring Waite Indians 58 to 51 as Ed Greunke and Theron Murray each scored 16 points, and these same two combined for 32 rebounds.

DeVilbiss took its first loss at the hands of Perrysburg, despite the twenty points thrown in by the six foot-four inch Greunke.

D.H.S. then lost a close, hard-fought game to Macomber. The Tigers lost the lead late in the game, and not even Mel Gaines' sixteen points could help regain the lead for DeVilbiss.

Senior Herman Lincoln and Ed Greunke exploded for thirty-three points between them in the first half, and DeVilbiss coasted to a 76 to 55 conquest of Bryan. Greunke finished the night with 25 points and Lincoln had 18 points.

Cold shooting cost D.H.S. a victory over arch-rival Start in a game played in the Toledo University Fieldhouse. The Tigers hit a terrible twenty-six percent from the field.

Theron Murray led the way with 18 points and Mel Gaines added 16 points as the Tigers downed Whitmer, 70 to 50. DeVilbiss completely dominated the boards over the smaller Panthers.

Poor clutch foul shooting kept DeVilbiss from notching a basketball win over Rogers. Herman Lincoln poured through 19 points for DeVilbiss in a losing cause.

Once again inability at the foul line hurt D.H.S. as they dropped a 70 to 63 decision to Upper Sandusky. The Tigers connected only five of seventeen shots from the charity stripe.

Despite Ed Greunke's 17 rebounds, the Tigers next fell to Woodward. DeVilbiss still was unable to hit from the foul line.

DeVilbiss lost its fourth game in a row to St. Francis. The loss of starter Mel Gaines due to an injury early in the third quarter hurt the Tiger cause. DeVilbiss could not break out of its slump at the charity stripe.

D.H.S. led Libbey, rated ninth in the state, throughout the first half only to fold in the second half. Ed Greunke single-handidly battled the much taller Cowboys on the boards while netting 15 points.

DeVilbiss got an excellent team effort in downing Scott 69 to 60. Four starters scored in double figures wth Chuck Goldstein leading all D.H.S. scores with 17 points.

Bowsher took advantage of the Tigers' lack of height and the early foul trouble of Mel Gaines and Ed Greunke to cash in on a 70 to 61 victory. Melvin and Ed came back to score sixteen points each.

Third-ranked Central Catholic played ball-control basketball, and took a 48 to 33 decision over the Tigers. Ed Greunke scored 15 points for D.H.S.

In their final regular season game, DeVilbiss whipped the newest school in the City League, St. Johns. The taller Tigers controlled both boards and Mel Gaines threw in 21 points. Theron Murray and Ed Greunke each added 14 points.

In the opening game of the Sectional Tournament the Tigers were the underdog against the Start Spartans. However, the scrappy DeVilbiss team walked off with a 51 to 40 win in the game played at Rogers. Ed Greunke again led the D.H.S. scoring with nineteen points.

The following night the Tigers were eliminated by the Libbey Cowboys, 69-56. Eric Barbour played an outstanding game as he poured through 20 points and collected 17 rebounds.

Despite the eight and eleven season record this year, DeVilbiss showed a great amount of promise, and next year's basketball team should return the winning ways to DeVilbiss.

The DeVilbiss wrestling team, under the guidance of head coach, Mr. Robert English, battled its way to a respectable season's record of six wins and four losses.

The Tiger grapplers opened the season by demolishing Libbey, 36 to 7, on the strength of pins by Pat Diguglielmo, George Zollinger, and Curt Davis. The DeVilbiss wrestlers lost their next match to Macomber, but they rebounded to decisively beat Central, Scott, and Woodward.

The Tigers then fell victim to an outstanding Whitmer wrestling team. Coach English experimented with many of his young wrestlers in the Whitmer match. DeVilbiss bounced back to defeat Start, 27 to 16. John Crayne, a scrappy 165 pound wrestler, broke his collarbone in this match, and he was forced to sit out the rest of the campaign.

D.H.S. then participated in the Worthington Invitational Wrestling Tournament. The Tigers put forth an outstanding team effort and finished in second place. Curt Davis was named the Outstanding Wrestler of the Tournament for his excellent performance in pinning all his opponents.

Rogers then out-pointed the DeVilbiss matmen, 27 to 13. The only bright spots in the match for D.H.S. were Paul Friedrich's fourth pin of the year and Steve Hardy's eighth straight victory.

The Tigers took fifth place in the City Championship Tournament at St. Francis. Steve Hardy emerged as the City Champion in the heavyweight class, and Paul Friedrich and Pat Diguglielmo each finished second for DeVilbiss.

D.H.S. ended the mat season on a sour note by losing to Cardinal Stritch, 22 to 19. For DeVilbiss, Jeff Lake and Pat Diguglielmo pinned their men, while George Zollinger, Andy Neese, and Steve Hardy each recorded victories.

Co-Captains George Zollinger and Steve Hardy both qualified for the State tournament and a trip to Columbus. However, both bowed out after only one match.

Several DeVilbiss grapplers finished with fine records in dual matches. Heavyweight Steve Hardy compiled a perfect 9-0-0 record, while Andy Neese had an 8-1-1 slate, George Zollinger a 7-1-2 record, and Paul Friedrich a 6-2-1 slate. Geoff Gibbs also had a fine 4-2-2 record, and John Crayne fought for a 3-1-2 record.

Despite the loss of the eight senior wrestlers, Mr. English has the nucleus of another fine wrestling team next year.

Tiger Bowlers Win Division Championship

The DeVilbiss bowling team rolled its way to the National League Championship this year in the City Bowling League.

The Tiger keglers swept seven straight matches from their opponents before losing to Waite, three games to none. The Tigers only had three men present for the Waite match, but they performed well despite this insurmountable handicap. The D.H.S. bowlers then finished the season by blanking Scott.

Captain Gene Schlicting led the team with a 175 pins per game average. Ron Denman and Doug Saville each contributed a solid 172 pins per game, while Frank Turney and Rusty Ballmer finished the year with identical 168 averages. Gene Schlicting rolled the high game of the year, an excellent 224 performance, and the Tiger captain also had the high three-game series, a fine 618 set.

Tiger Athletes Earn Honors

Six outstanding DeVilbiss athletes were honored as members of first team all-city teams.

Geoff Gibbs was the only Tiger selected on the all-city first team in football. Geoff earned his honor as a defensive halfback. He was a mainstay in the D.H.S. pass defense, and he also played offensive halfback, plus returning punts and kick-offs.

Guard John Crayne earned a berth on the first team all-city academic football team. John compiled a 3.2 grade average to make the team.

Senior Logan Talks and Steve Mostov were named to the cross-country all-city first team. Logan achieved this award in spite of having to sit out almost the entire cross-country season with a blood condition.

Even though the 1967-1968 Tiger basketball team did finish tied for last place in the Red Division, two D.H.S. roundballers rated honorable mention in the all-city voting. Ed Greunke, the DeVilbiss center, averaged 14.0 points per game and 8.4 rebounds per game to earn his honor. Sophomore flash Melvin Gaines poured through 11.2 points per game while attaining the recognition.

Steve Hardy battled his way to the city championship in the heavyweight classification. This city championship entitled him to a place on the wrestling all-city first team. Steve finished the mat season with a perfect record of nine wins, no losses, and no draws. Steve earned a berth in the state wrestling tournament where he bowed out in his second match.

Dan Kirk was a first team selection for the all-city tennis team for his excellent performance during the 1967 tennis campaign. Dan was named for the doubles team along with Greg Warren who graduated last June. Other first team selections in tennis were Ken Andryc and Craig Burkhart for their singles play. These four individuals helped the tennis team to its city championship this past spring.

Mike Hurt was chosen as the second baseman on the 1967 all-city baseball team. Mike played superbly throughout the season last spring for Mr. Kahler.

Gary Greiner and Geoff Gibbs sprint for a victory in the 100-yard dash during a practice meet.

Steve Mostov and Logan Talks lead in the gruelling mile-race held indoors.

Tiger Thinclads Work Harder

The 1968 DeVilbiss track team looks forward to continuing the winning tradition which it has known for many years.

Coach Tapola has an excellent group of returning lettermen. Despite the loss of such outstanding athletes as Larry Armstrong, Jim Both, Bob Breno, and Eliot Bergman through graduation, there are very capable and experienced personnel ready to replace them.

There are several areas in which the Tiger thinclads seem very strong this year. Logan Talks and Steve Mostov anchor one of the best groups of distance runners in this area. Beno Flath, Andy Hausman, Tom Wylie, Keith Rothacher, and Don Proeschel should also turn in excellent performances for the Tiger squad.

DeVilbiss has an outstanding trio of freshmen distance runners in Hal Hays, Rick Kern and Bill Isenstein. Hal broke the freshman record for the mile in the fall, and he has an excellent future in track.

Logan Talks and Steve Mostov will also carry the Tiger colors in the half-mile races. Andy Hausman and Beno Flath are also very strong at this middle distance.

Coach Tapola is counting heavily on seniors Geoff Gibbs and Gary Greiner to bolster D.H.S. in the sprints. Both have extremely quick starts, and they should bring home many victories for DeVilbiss.

Steve Hardy leads a talented crew of shot-putters. Backing him up are Bill Tarloff and Nevin Liber.

Seniors Marty Lauer and Lenny Gasser provide great strength for DeVilbiss in both the low hurdles and the high hurdles. Marty has an excellent chance to participate in the state finals this year.

Curt Davis and Mickey Benadum will take care of the pole-vaulting chores for the DeVilbiss thinclads, while Matt Sperling will do the high-jumping for D.H.S.

With these excellent prospects, DeVilbiss is working toward another banner year and victories in both Night Relays and the City League.

Tigers Reign Supreme In Spring Sports

1967 was a banner year for the DeVilbiss spring sports teams as the Tigers won two city championships.

The 1967 Tiger tennis team won the City League championships, as it went undefeated in league play. The hard work which they put in over the previous winter paid off as D.H.S. unseated St. Francis as champion.

Coach Temple's team was a well-balanced and experienced group of players who valued and took pride in their work.

Ken Andryc was the number one singles player for D.H.S. Ken consistently came through with the important victories. Craig Burkhart, a transfer student from Ottawa Hills, was the number two singles player for Mr. Temple, and he showed great skill in his first year at DeVilbiss. The third singles match was skillfully played by Rick Hinds.

DeVilbiss had two excellent doubles pairs in Dan Kirk and Greg Warren and Don Kirk and Dave Zucker. Richard Earley played both singles and doubles matches for the champion Tigers.

The 1967 DeVilbiss golf team also captured the City League championship. The Tiger golfers compiled an excellent nine wins and three losses season's record. The only losses were to Ottawa Hills and Sylvania. Coach Huls guided his team to a third place finish in the district tournament.

Sam Szozda led D.H.S. with a 73 stroke average. Fred Farris chipped in with a 76 stroke average, while George Fries, Denny Hartman, Tom Berger, Chuck Mostov, Eric Lubov, and Ron Denman all averaged in the low eighties.

The only DeVilbiss spring sports team not winning the City League championship was the 1967 baseball team. Coach Phil Kahler lead the team to a fourth place finish in the City League.

The Tigers attack was led by second baseman Mike Hurt who hit for a torrid .453 average. Other standouts offensively for D.H.S. were Tom Rerucha and Dave Grana. Darrell Murphy and Steve Ansted were the pitching workhorses for Mr. Kahler.

The 1967 Reserve baseball team went undefeated in six contests. The DeVilbiss summer baseball team compiled an outstanding record of twenty-one wins and two losses in winning its league championship.

Tigers Enjoy Diverse Intramural Program

This year DeVilbiss students had the opportunity to participate in varous intramural activities under the direction of Athletics Commissioner John Salley.

Sisco won the championship in the Girls' Divison of the annual Tug O' War. They pulled their way to an undefeated record, beating even a boys' team comprised of members of Hi-Y and Forum. Hi-Y and Forum tied for first place in the Boys' Division. It was the fourth straight year for Hi-Y to win the Tug O' War.

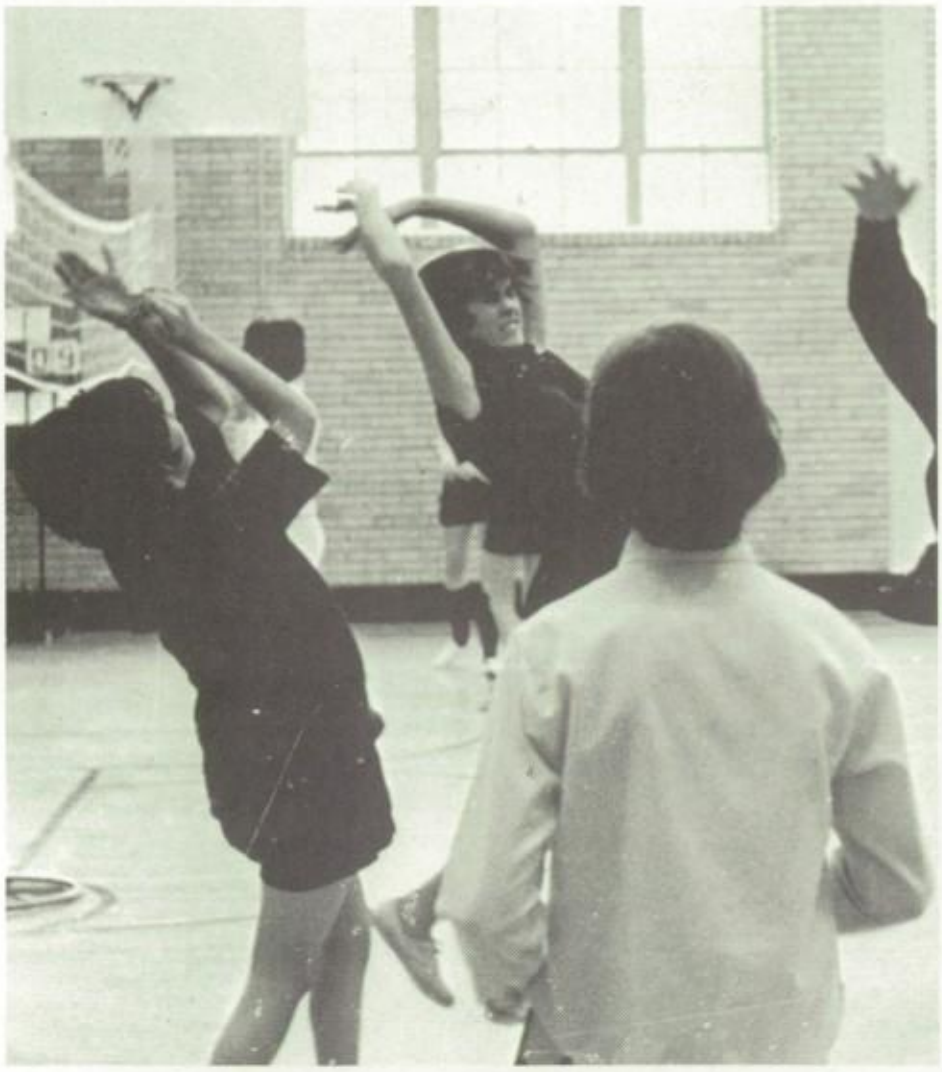
The wet fall weather prevented John from holding any intramural football competiton.

Next came the basketball intramurals. The junior-senior division championship was captured by Greiner's Blue Bombers, a team composed of Gary Greiner, Chuck Poll, Rick Keller, Jim Horton, and Dean Dickson. Coming in a close second were the Chickenmen, led by Bob Perlman, Dave Robertson, Scott Schaefer, Scott Elkes, and Jim Reuscher. Haddad's Hurricanes, behind captain Ted Haddad, won the freshman-sophomore division.

The senior-faculty game ended in a 40 to 40 tie as the inspired seniors fought back from a nine deficit to gain the draw. The senior team was composed of Greiner's Blue Bombers and Herman Lincoln and Chuck Goldstein from the varsity. Roger Schmidt, a student English teacher, was the high scorer for the game with twelve points.

John Salley is planning to hold an inter-club swimming meet at the West Toledo Y.M.C.A. later this spring. Also on the schedule are a ping-pong tournament and a volleyball tournament. Both activities will be held in the Girls' Gym. Hi-Y sponsored an inter-club ping-pong tournament at the Y.M.C.A. earlier this winter. Sentier Nouveau captured the championship.

Miss Juers planned a wide variety of activities for the girls' intramurals this year. Archery was held in autumn, and there were many participants. During the winter volleyball, basketball, bowling, and tumbling competitons were held. However, no individual or team champions were named.



Girls intramural volleyball had many participants this year.

Kathy Petros anxiously awaits the outcome of her return shot in the ping-pong tournament.

The Forensic League Discusses Topics Of the Day

The National Forensic League is a national honorary organization whose goal is to keep the standard of forensic competition high. To become a member one must have accumulated twenty-five points by competition in one or more of six categories. These categories include debate, boys and girls extemporaneous speaking, humorous declamation, oratorical declamation, dramatic declamation, and original oratory. School Board Considers Construction Of Middle Schools

"I want to see Toledo schools so good that people will move in from the suburbs because they want the best for their children. I want all children to have the best education we can give them."

This quotation was taken from an address given to the Board of Education by Mrs. Maude Shapiro, the President.

To reach this goal the Board decided to place before the voters of Toledo a bond issue for the construction of new schools. This would permit a reorganization of the elementary schools to provide for middle schools. They also asked for a levy for their operation.

Seniors eat and socialize in the cafeteria.

Seniors take time out to study.

Remember

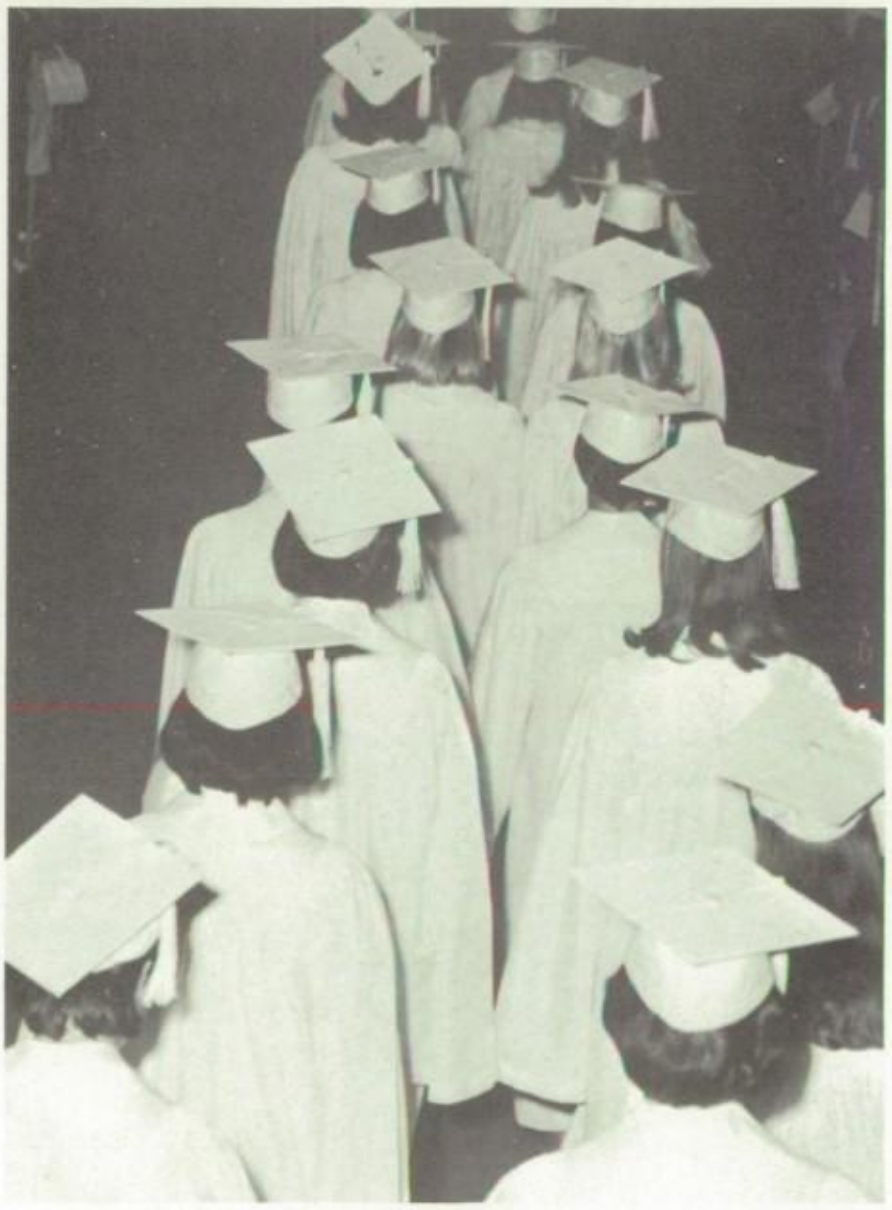
The senior year was full of privileges. No other class had the privileges of walking through the courts, sitting in the front rows of the auditorium and skipping school for a day.

Social events were big things for seniors. The year began with the Varsity Drag, followed by the school musical called "The Boyfriend". Payments were finally made for the trip which provided a week of fun in New York City. The senior girls invited their Dads to a dinner and their mothers to an afternoon tea. Then there was the exciting and never-to-be-forgotten Prom.

All was not fun, however. The seniors turned to serious thoughts at Baccalaureate and Graduation, which brought the realization that high school days were over and a new life stretched ahead.

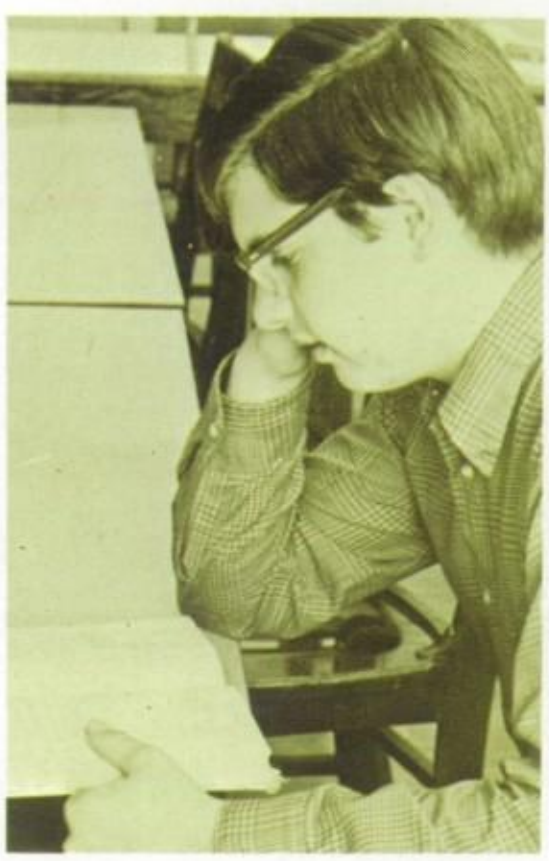
Memories of the familiar places in the old school linger with seniors. Classrooms, counselors' offices, the auditorium, the library, the college room, room 122, and especially the the cafeteria recall fond memories of high school years.

People, places, privileges, and memories will always be a part of the class of '68'.



Seniors take the final step in high school Graduation.

Juniors



Phil Sussman, Junior Class President, Kathy Petros, lightweight cheerleader, and Sandy Mitchell, supporting actress in "The Boyfriend", play important roles in school activities.

Ambitious Juniors Become Involved In School Activities

With the arrival of class rings, D.H.S. welcomed its newest upperclassmen. The Class of '69 opened the year with a hayride at the Diamond "S" Ranch. Many TADS attended the hayride even though it was a rainy evening. The Junior Boys' Mothers' Tea, planned by Jack Zouhary and Curt Black, showed a profit for the first time in its eighteen year history. Glengarry Country Club was the scene of "Gauntlets and Gallantry", this year's J-Hop. Flags hanging from the rafters and shields lining the walls created a medieval atmosphere.

The Juniors also scheduled service and money-making projects. They patronized "The Boyfriend" and "Hello, Dottie", and held several bake sales in the front hall. A coat check during the St. Francis basketball game netted ten dollars while providing the fans a place to hang their coats. T-shirts also proved that Juniors have Tiger Pride.

Sophomores –558– Are The Largest Class

The class of '70 is the largest class at DeVilbiss with 287 boys and 271 girls. Under the leadership of class officers and advisers, the Sophomores undertook several projects.

Sending Christmas cards to the soldiers in Vietnam was the first project. Next, Sophomores held an Open at the Shelter House on January 19. Tads danced to music provided by "Jello". A bake sale in February added more money to the class treasury for the biggest event of the year—the Sophomore Dance.

"Tekati" transformed the school cafeteria into the South Sea Islands on March 29. George Sarantou and Linda Rutz were in charge of planning the Dance.

Freshmen Find D.H.S. New And Exciting

Five hundred and fifteen students encountered many new experiences in their first year at DeVilbiss. For the sports-minded frosh boys, basketball and football were popular. The girls supported these teams by joining the freshmen cheerleading squad and the pep club. Also, intramurals attracted a large number of both boys and girls. Newcomers expressed their musical talents by becoming members of the freshmen boys' and girls' choruses, the junior band, and the freshmen orchestra. In January, the freshmen were given the opportunity to participate in commissions, clubs, and DeViltries committees.

Education ... our greatest CHALLENGE ...

There is no challenge to our modern society and no opportunity greater than educating our youth.

The old adage that says, "True intelligence is the power to adapt," has never held more meaning.

We have had and will continue to have a knowledge explosion. Four times as much is known today as was known in 1935.

U. S. Department of Labor studies point out that an individual's asset of experience increasingly will carry less weight than his level of education. Many occupations of the future are not now even in existence.

The only sound educational target for such a future is to plan for these occupations which do not yet exist. Students must be able to learn how to learn and to apply themselves to new conditions as they arise.

This is no vocational assignment alone. Our nation needs intellectual as well as material growth. Our nation needs citizens as much as workers.

Owens-Illinois
is but one of the hundreds of American business organizations concerned by this challenge and actively engaged in specific ways and means to meet it.

SENTIER NOUVEAU

Bob Krasney, Doug Lightner, Phil Cohen, and Curt Davis work on STNV financial matters at a meeting of the STNV board.

Sentier Nouveau (STNV) became well-known this year as the giant, new, progressive club of DeVilbiss. STNV is DeVilbiss' first and only big co-ed club and was founded at the start of the school year. Being a special interest dance club, it has had many dance projects including an average of one open per month.

The name Sentier Nouveau means "new path" and throughout the year the club has sponsored many new and original activities and projects. STNV initiated and co-sponsored the first inter-club ping-pong tournament. The club became the first to support the fall musical and DeViltries with large ads in the play programs. These ads featured STNV members and officers. Besides attending DHS plays, members got together to see "Marrat Sade" at the Doorman Theater. The club members displayed originality and new style when making numerous banners to support DeVilbiss sports and plays.

With it's co-ed membership, STNV was able to have its own private social activities and events. During second semester most girls got a "Big brother" and many of the boys got a "Little sister".

The STNV membership includes many of DeVilbiss' best leaders and most active students. A great many class officers, cheerleaders, tigerettes, queens, and athletic stars are all in STNV. With so many leaders, STNV elected eighteen officers headed by Doug Lightner. STNV has a rabbi (Andy Housman); a club gangster (Eddie Siegle); an entertainment director (Sue Figlarz); a first lady (Lynn Elkes); and an upperclassmen boy's mother (Meg Maxwell). During the second semester, Sentier Nouveau was run by the club's sixteen member board. Doug Lightner was chairman and executive head.

—Doug Lightner, President

Members of various DeVilbiss clubs filled the West Toledo Y to participate in the first inter-club ping-pong tournament. The event was initiated and co-sponsored by STNV, which also took first place with its undefeated boys' team.

Sandy Howald gets assistance from her "big brother", Rick Wainwright, in putting up an open sign.

Debbie Kuhman and Pat Olah display the Sentier Nouveau club flag, another STNV first.

DeVilbiss is especially proud of the fine individuals who compose the faculty, staff, and student body. The dedication, co-operation, and hard work of the members of DeVilbiss High School produce a school of which everyone can be proud. For some, DeVilbiss is the end of a long educational process, and they are prepared to assume their responsibilities in the community. For others, DeVilbiss is the beginning of a fruitful college career. Thus, D.H.S. is a vital part of every student. And every student is a vital part of D.H.S.

DeVilbiss High, my Alma Mater.
To thy halls and spires we sing;
All the joys and carefree laughter
Of our youth, to thee we bring:

All the glory of the day;
All the years of life with thee:
Shall be treasured thru our days,
Till our dreams are all of thee.

Hi Kid

Howard you? Aren't I funny? Ya know though this year has meant a whole lot to me & going to WOHO & Priscte with you made it even better so don't go and forget about me this summer, even if you are at your cottage (you can write ya know) or I'll, I'll, I'll, I'll get mad. You don't want that do you?

Luv.
PEACH

Howard, you are a real nut! It's been real. I hope we are in a class together next year just so I can listen to the stupid things you come up with to say. Be good & have fun this summer.

Ill love & miss,
Denise
